DECEMBER 14-16, 2020

Due to the concern around COVID-19, and in alignment with the best practices laid out by the CDC, WHO and other relevant entities, The School Bus Summit has decided to go virtual for the 2020 Summit.

Bringing People Together to Help Each Other

The School Summit is three half days of uniquely structured interactive roundtable sessions, information sharing and networking - 100% online! Get introduced to dozens of others responsible for pupil transportation fleets as well as senior representatives from the vendor community who will share how they're approaching industry issues. The School Bus Summit is your opportunity to get insights on an immediate issue, learn what's working for your peers and what's not, and gain new relationships with colleagues from across the country.

HOW TO PARTICIPATE

To be eligible, you must be a decision-maker for a fleet of at least 20 vehicles and have the title of Owner, Director, Manager or Supervisor. You should also have challenges that you're interested in sharing, a willingness to help others and a desire to learn about products or services that can help you in the next 6 to 18 months.
